CUT + PASTE ACTIVITY

Tall Feather Turkey

Color the pieces. Cut around their outside outlines. Glue the feathers behind the body.

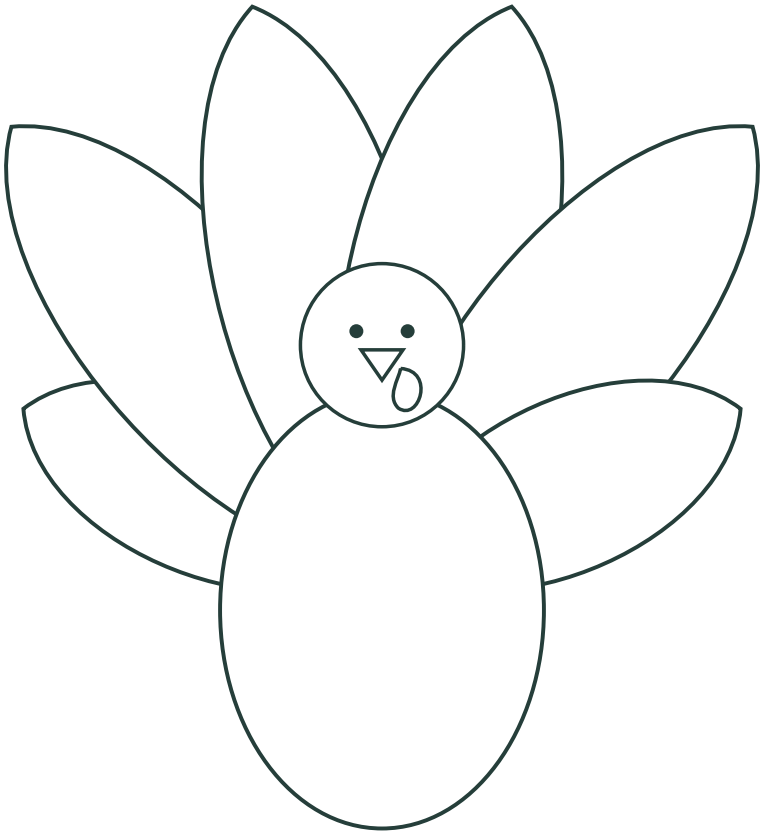

Arrange the pieces before using glue. You can add paper-strip legs and draw your own wing details.

ASSEMBLY GUIDE

Build Your Turkey

Use this guide to plan the order of the layers.

1. Color and cut all the pieces.
2. Put the FOUR long feathers in the middle of the fan.
3. Place the TWO shorter feathers at its outside edges.
4. Glue the feather tips behind the body; add the head.
5. Add paper-strip legs or wing details if you wish.
