CUT + PASTE ACTIVITY

Pattern-Play Turkey

Color the pieces. Cut around their outside outlines. Glue the feathers behind the body.

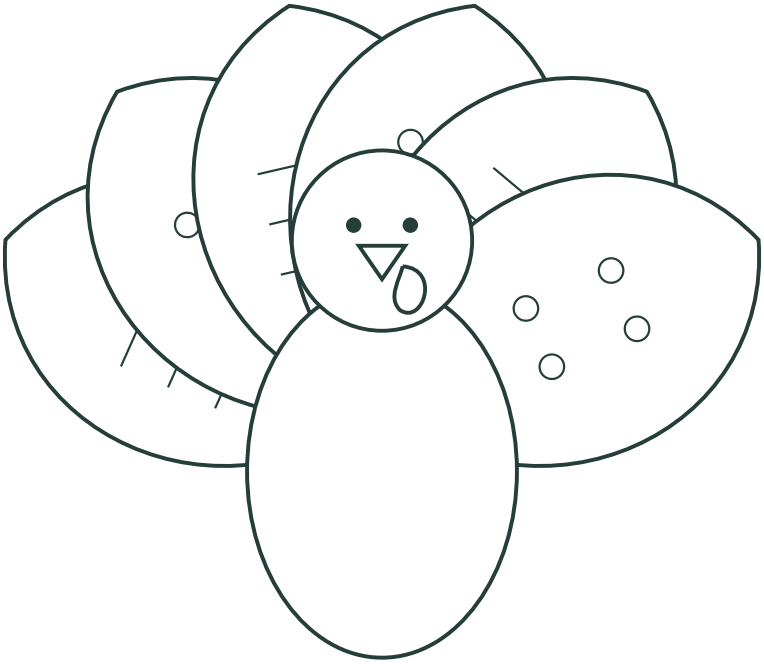

ASSEMBLY GUIDE

Build Your Turkey

Use this guide to plan the order of the layers.

1. Color and cut the SIX patterned feathers, body, and head.
2. Arrange the feathers in a fan, mixing stripes and dots.
3. Glue the feather tips behind the body.
4. Attach the head above the body.
5. Add paper-strip legs or wing details if you wish.
