CUT + PASTE ACTIVITY

Half-Fan Turkey

Cut around the pieces. Keep the fan whole. Fold the legs on the dashed lines.

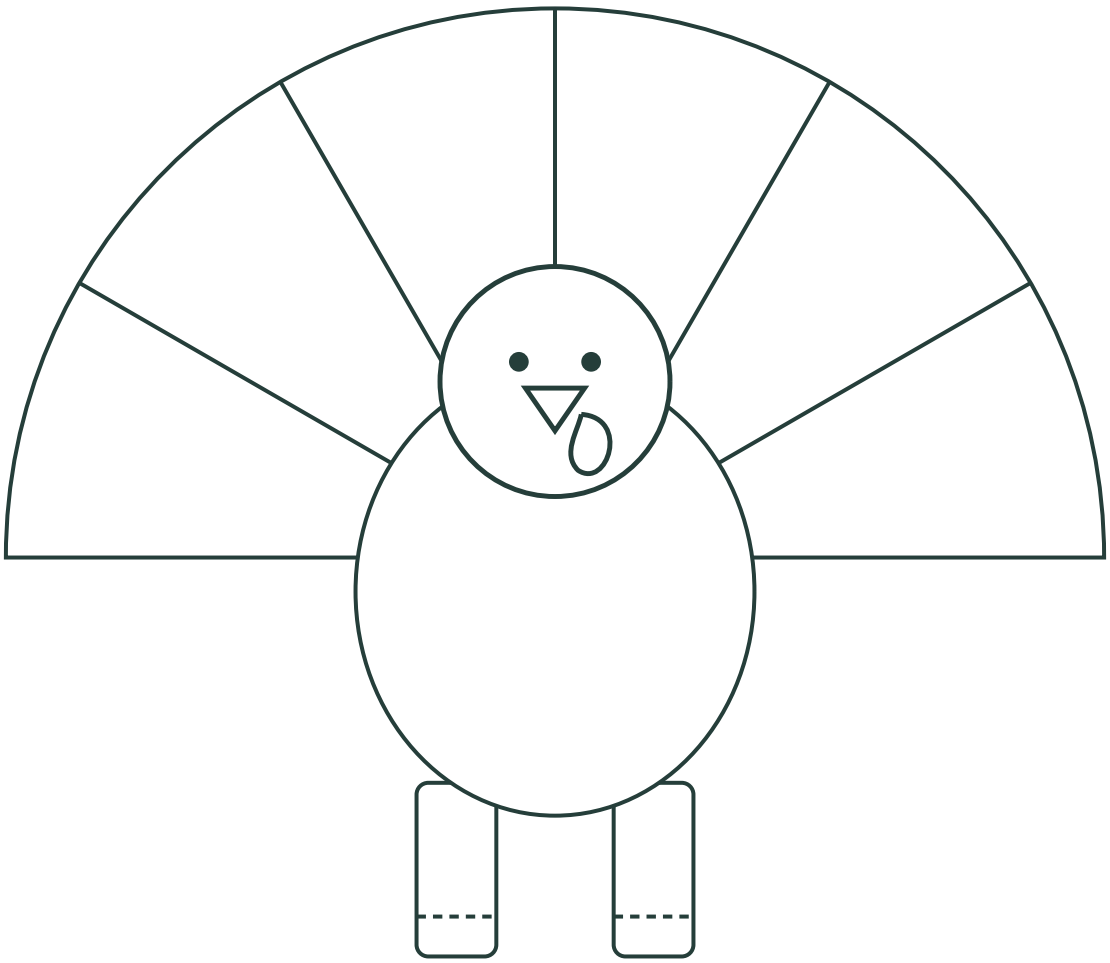

Keep the fan as one piece. Fold each leg on its dashed line. Glue the top of each leg behind the body; the short folded part becomes a foot.

ASSEMBLY GUIDE

Build Your Turkey

Use this guide to plan the order of the layers.

1. Color the fan sections, body, head, and legs.
2. Cut out the fan as ONE piece; leave its inside lines intact.
3. Glue the whole fan behind the upper part of the body.
4. Attach the head above the body.
5. Fold each leg on the dashed line, then glue its top behind the body. The short folded ends become the feet.
