WEARABLE PAPER CRAFT

Turkey Crown Headband

Color and cut the pieces. Extra extension strips are on page 2.

GLUE

GLUE

With adult help, join these strips and extra strips from page 2 as needed. Check the fit before closing the band, then glue the turkey to the front. Trim to fit comfortably; do not make it tight.

Crown Extension Strips

Use as many strips as needed. Join the ends at the GLUE tabs.

1. Color and cut the extra strips.
2. Overlap the ends at the tabs and attach with glue or tape.
3. Wrap loosely around the head with adult help to check the size.
4. Trim excess paper and close the band when the fit is comfortable.
